PRO-LIFE PARISH LIFE

Glasgow Torchlight procession:

Since the passing of the 1967 Abortion Act, over 10 million unborn babies have had their lives brutally ended by abortion, and countless mothers, fathers and families have been left hurt.

Every year, SPUC's Torchlight Procession commemorates the lives lost and hurt by the violence of abortion and ensures that these precious lives are not forgotten. The event starts with a rosary in George Square and then a torchlight procession for Mass at St Andrew's Cathedral. Please join SPUC at the Glasgow Torchlight Procession and be a light for life.
